NOTES: TW= TWIN (Not as many twins as the season on 2015 was very dry and lambing and rearing were difficult)

Rams that do not have a full pedigree will not be able to transferred as a STUD RAM.

Rams will not be shorn this year and there will be no shedding scores at the sale. (The rams that went to the Perth Royal show have been shorn)

Shedding scores are on the online catalogue to aid selection prior to sale.
